Subject: Accessing the 2023–2024 and 2024–2025 School Report Cards

Dear Parent or Guardian,

The State of Texas School Report Cards for the 2023–2024 and 2024–2025 school years for Brackett ISD are now available for your review. These reports are required by the Texas Legislature and are prepared by the Texas Education Agency (TEA). State law requires that this information be provided to the parent or guardian of every student enrolled in a Texas public school.

To access the School Report Cards, please use the **QR codes provided with this letter**. The QR codes will take you directly to the TEA website where you can view the reports electronically. **If you would like a hard copy of either report, please contact our office to request one.**

The School Report Cards provide information regarding student performance on the State of Texas Assessments of Academic Readiness (STAAR®), College, Career, and Military Readiness, as well as data related to student enrollment, class size averages, and financial expenditures.

Due to judicial proceedings, the release of the 2024 School Report Card was significantly delayed.

The information contained in the School Report Cards is required by state law. Much of the technical language used in the reports is explained in the “2024 School Report Card Definitions” and “2025 School Report Card Definitions.” Depending on whether a school is elementary, middle, or high school, some information described in the definitions may not apply.

State law also requires that the School Report Cards display information at the state, district, and school levels. Where possible, data are reported by race/ethnicity and socioeconomic status and include at least two years of results.

A more comprehensive report for Brackett ISD, the Texas Academic Performance Report (TAPR), is available by contacting my office or by accessing it online through the Texas Academic Report Cards website or our school website at [www.brackettisd.net](http://www.brackettisd.net).

If you have any questions regarding the School Report Cards, please feel free to contact me at [eliza.diaz@brackettisd.net](mailto:eliza.diaz@brackettisd.net). Thank you for your continued support of Brackett ISD.

Sincerely,

*Eliza Diaz*

Eliza Diaz, Superintendent of Schools, Brackett ISD

After opening the page, simply select the campus you wish to view, and select the report in PDF.
