TRANSFER AGREEMENT- BRACKETT ISD

This Transfer Agreement establishes the terms and the conditions for _____ (student) to attend the Brackett ISD (*upon final approval*) as a transfer student for the 2026-2027 school year, although the student is a resident of the _____ School District. The student's parent or other person having lawful control of the student, _____ (parent) requests that the student be permitted to attend Brackett ISD schools in the _____ school year and agrees to the following terms and conditions for that transfer.

This transfer is effective for the current school year only (*upon receiving final approval*). District approval of this transfer creates no right or expectation that the student will be admitted as a transfer for any subsequent school year. Violating the terms of the agreement may result in a transfer request not being approved for the following year.

This transfer is approved for the named student only. District approval of the transfer creates no right or expectation that another student from the same family will be admitted as a transfer. The Student must maintain acceptable levels of attendance and compliance with District rules and regulations, including the Student Code of Conduct and academic expectations noted on State Assessments and report card grades throughout the entire school year.

Acceptable levels are defined as:

Attendance that does not place the student at risk of losing credit under Education Code 25.092 or require the District to warn the parent or the student of truancy proceeding under Education Code 25.095; and Compliance with the District's rules and regulations, including the Student Code of Conduct, such that no offenses result in removal to a disciplinary alternative education program (DAEP) or expulsion, and no more than 3 referrals are made within any grading period for other misconduct.

Except as modified by this transfer agreement, the student will be subject to all policies, rules, regulations, rights, privileges and responsibilities of enrollment in Brackett ISD as if he or she resided in the District. The District and the parent agree that this transfer agreement is the entire agreement controlling the admission and enrollment of the student in the District for the 2026-2027 school year.

The student and parent acknowledge that eligibility of transfer students for participation in any UIL activity or other activities governed by UIL rules and regulations will be determined in accordance with UIL rules and regulations.
